

# AFTER SURGERY

Evansville, IN (812) 424-2020 • (800) 489-2020

Please wait 5 minutes between drops with eyes closed and no blinking.

After surgery use one drop of **ZYMAXID** every four hours while awake in the surgery eye for the rest of the day. For the following six days after surgery use one drop of **ZYMAXID** in the surgery eye four (4) times a day then STOP! Do not refill.

Continue to put one drop of **BROMDAY**, a non-steroidal anti-inflammatory drop, in the eye that was operated on two (2) times per day for one week following surgery; unless otherwise instructed.

In addition, the first week following surgery, use one drop of **PRED FORTE**, a steroid drop, four (4) times per day in the eye that was operated on. This is the "milky drop." **Start this drop when you get home after surgery.**

The second week following surgery, use one drop of **PRED FORTE** three (3) times per day in the eye that was operated on.

The third and fourth weeks following surgery, use one drop of **PRED FORTE** two (2) times per day in the eye that was operated on.

**MAKE SURE TO SHAKE THE PRED FORTE BOTTLE.**

## Additional Instructions:

1. For one week following surgery wear the plastic eye shield while sleeping.

2. \_\_\_\_\_

**Use the color calendar provided for documenting your medicine.**

**\*Please bring this calendar and all eye drops with you on your next visit.**
